

## SAMPLE ONE

### **Statement from the National Parents Union and Missouri Delegate Christy Joyce Moreno on Governor Mike Parson's Remarks on School Reopening:**

Governor Parson's reckless and irresponsible statement about reopening schools in the middle of the COVID-19 pandemic was breathtakingly tone-deaf and dangerously ignorant.

Parson's careless disregard for the health and safety of our children, our families, our educators, and our communities betrays the public trust and proves he is clearly out of touch with the families of Missouri and our priorities.

Our message to Governor Parson is this:

The life of each one of our children is precious and certainly more important than your pathetic political posturing. Families in Missouri clearly cannot trust his leadership in planning for school reopening now.

**El Sindicato Nacional de Padres Responde a las Declaraciones del Gobernador Parson Acerca la Reapertura de Las Escuelas**

La imprudente e irresponsable declaración hecha por el Gobernador de Missouri acerca de volver a abrir las escuelas en plena pandemia COVID-19 es el resultado de hacer oídos sordos y de la impresionantemente ignorancia que ha mostrado. La vida de cada uno de nuestros niños es valiosa e importante; queda claro que el Gobernador Mike Parson está totalmente desconectado de las familias de Missouri y de nuestras prioridades. El descarado desprecio que ha mostrado en torno a la salud y bienestar de nuestros niños, nuestras familias, nuestros educadores y nuestras comunidades traiciona la confianza pública: ha colocado sus propios intereses políticos por encima del bien mayor de los ciudadanos de Missouri.

Queda más que claro que las familias de Missouri no podemos confiar en su liderazgo con referencia a la reapertura de las escuelas en este momento.

SAMPLE TWO

**The National Parents Union Announces Round Two of Homeschool Pod/Microschool Accelerator Grants**

**We are excited to announce the second round of grants available to organizations and families. Many of you applied for grants during Round 1 in August and we'd like to invite you to submit a new application for Round 2. Applications will be accepted until Saturday, October 31, so don't delay!**

We know much has changed since August and will require new applications from those who had previously applied. The requirements for the application for Round 2 are much the same as they were for Round 1. You can find the instructions for application on our website, via this link [HERE](#).

We will announce the Round 2 grant recipients during our monthly town hall, [The NPU Family Clap Back](#), on November 5, 2020, at 8:00 pm EST. [Register](#) now to receive your seat!

We are looking forward to this opportunity to offer grants to those who are doing the work! We would like to invite you to become a member of the National Parents Union by filling out the application [here](#). We'd like your organization to become a member as well by filling out the application for organizations [here](#).

**Be certain to get your application submitted to [grants@npunion.org](mailto:grants@npunion.org) by midnight on October 31, 2020!**

We look forward to continuing to work with each and every one of you!

Respectfully,

Your friends at the National Parents Union
